About Warrior Homes of Collier and Delta House

Warrior Homes of Collier is a 501(c) (3) nonprofit organization serving veterans in Collier County, Florida. Our mission is to assist veterans, focusing on housing, mental health, and education. Our vision is that no veteran in need in our community is left behind. We partner with other veteran-focused organizations in Collier County to ensure that local veterans are met with the same caring spirit and dedication from us that they made to their country in their military service.

Delta House is our 10-unit, 20-bedroom apartment building in Naples. We purchased it for \$2.7 million in 2022 and have since renovated each of the units. Delta House offers supportive, long-term housing for female and male veterans. As of February 2024, we must raise \$1 million to pay off the loan balance by July 2025.
